ADAC Chooses Signotec's Delta Real Signature Pads to Fulfill its Electronic Signature Needs

[EN] Athens, GR, July 31st, 2019 - CubelQ Limited, an IT company provider of software solutions and systems for financial, banking and corporate institutions, announces that **ADAC chooses Signotec's Delta real signature pads to fulfill its electronic signature needs.**

With over 20 million members, **ADAC is the largest transport club in Europe.** The success does not come by chance: The reliable "yellow angels" have already been the saviors in need for many drivers. In the event of damage, ADAC Plus members are entitled to a replacement car for up to seven days. Since the end of May 2019, Signotec's signature solutions have supported the rapid processing of the provision of this ADAC replacement car, "the Clubmobile".

The ADAC replacement car is provided by the local ADAC dealers. In order ADAC customer to receive the replacement car, two documents have to be signed by the customer and the dealer. The first document is the car rental contract and the second document is vehicle condition report. Since the end of May 2019, all required signatures have exclusively been made electronically by using Signotec's signature solutions. ADAC has provided its partners not only with the signature software, but also with signotec, A4 width, "Delta" signature pad, free of charge.
