

News Release

CubelQ Announces the Launch of its New Web Site

[EN] Athens, GR, May 4th, 2020 - CubelQ Limited, an IT company provider of software solutions and systems for financial, banking and corporate institutions, announces the launch of a new designed Web Site.

The new web site, totally redesigned, with several new features, upgraded functionality, smooth user friendly and relaxing layout and updated content targets mainly audience from the banking and financial industry.

The entirely new look of the web site aims to demonstrate CubelQ's innovative solutions, third party software applications, machines and terminal devices to the broader banking and financial industry public; giving the ability to the visitor to extract quickly accurate and analytical information on CubelQ's products and solutions.

The web site also provides the most current information available on industry regulations, specifications and standards through direct links to the corresponding publishers or copyright owners, together with industry news and technology trends and a series of related themes such as best practices and operational procedures. Visitors will also find a number of white papers and a number of successful implementations in the form of case studies.
