CubelQ Announces the Completion of a CA Project

[EN] Athens, GR, June 16th, 2020 - CubelQ Limited, an IT company provider of software solutions and systems for financial, banking and corporate institutions, announces the completion of a new CA project.

The Greek subsidiary of a forward looking leading industry leader in energy management, metering infrastructure and cutting-edge smart grid technologies, helping utility companies to improve their operations, protect their assets, lower their operating costs and provide better customer services required the implementation of a CA Authority solution.

Following project assignment CubelQ implemented the establishment of an internal, new generation CA, certificates issuance and distribution and certificates authentication using state-of-the-art [Thales](#) (ex. Gemalto/SafeNet) [Luna SA Network HSM 7](#) equipment.

The project was delivered within the estimated time frame.
