CubelQ Announces the Launch of AML On-Line™ a New Product Group Web Site

Athens, GR, **March 13, 2009** - **CubelQ Limited**, an IT company provider of software solutions and systems for financial, banking and corporate institutions, today announces the launch of **AML On-Line™** a new product group web site.

AML On-Line™ is the commercial name of a **new service provided by** CubelQ Ltd. The service is an Internet based names filtering – database search – against specially designated nationals (SDN) lists such as OFAC, EU, UN, PEP, FEP and others.

Today, there are a growing number of demands for Financial Institutions to comply with **Anti Money Laundering – AML** requirements set forth by government regulators. CubelQ in co-operation with **Prime Associates** (Metavante Risk and Compliance Solutions) have created **AML On-Line™** service in order to provide a low cost, affordable and easily accessible way of filtering individual, company, vessel and any entity names against all major Specially Designated Nationals (SDN) Blocked Persons lists as well as against databases such as Politically Exposed Persons and Financial Fraudsters.
