CubelQ Announces its Registration as Anoto Silver Partner

[EN] Athens, GR, **September 1st, 2009** - **CubelQ Limited**, an IT company provider of software solutions and systems for financial, banking and corporate institutions, today announces its registration as **Anoto® Silver Partner**.

As of **July 16th 2009** CubelQ is an official **Anoto® Solution Provider Silver Partner**. With a number of satisfied customers and more than 250 digital pens installed, CubelQ registered, based on Anoto's classification, directly as Anoto's **Solution Provider Silver Partner**. The Anoto Partner Program offers 4 partner levels: **Bronze, Silver, Gold and Platinum**, each with a unique set of benefits and associated requirements. The level of participation is based on **proof of commercial success, experience and expertise** when it comes to commitment, deployments, revenue etc. CubelQ is the only **Anoto® Solution Provider Silver Partner in South East Europe and Near Middle East**.

CubelQ based on **Anoto® technology** and on **aibis® software platform** has design and deployed a number of business solutions that efficiently streamline the capture and processing of handwriting information in paper-based processes. These solutions are used in such industries as healthcare, banking & insurance as well as service provision, logistics & transportation. CubelQ's customers start from SMBs with 4 digital pens up to organization with more than 215 digital pens.

For accelerating **Anoto® based technology** and in general **data capture technologies** CubelQ launched www.edms.gr, a new web site with detailed information on Anoto® technology and aibis® software platform. Bringing successful business solutions to market today takes teamwork every step of the way, from design and development to marketing and sales. CubelQ expertise, contacts, best practices, experience, integration capabilities and technology know-how, is a given advantage when deciding to implement a solution for capture and processing of handwriting information.
