

News Release

CubelQ Announces the Launch of a New Web Site for Remote Key Loading Technologies

[EN] Athens, GR, **November 11th, 2016** - **CubelQ Limited**, an IT company provider of software solutions and systems for financial, banking and corporate institutions, announces the launch of a new web site for **Remote Key Loading Technologies**.

The new web site for Remote Key Loading technologies presents to visitors full and detail information on the technology, the procedures and the principles under which Remote Key Loading Systems operates. The web site also presents the software modules, messages protocols and add-ons supported by **CIQ/RKL™**; CubelQ's Remote Key Loading product.

Remote Key Loading web site has been developed using minimalistic, responsive – mobile friendly and easy to use interface giving the ability to the visitor to receive quickly, accurate and analytical information on CubelQ's Remote Key Loading product. The site is hosted under [Remote Key Loading](#) link.
