CubelQ Nominated as HID Global's Gold Partner

[EN] Athens, GR, **December 12th, 2016** - **CubelQ Limited**, an IT company provider of software solutions and systems for financial, banking and corporate institutions, announces that has been nominated as Platinum Partner in HID Global's Advantage Partner Program.

The **HID Advantage Partner Program** is a global program focused on continually evolving the relationship between HID Global and her partners. It is designed to support a flexible, customer oriented and revenue focused channel engagement model for partners with sales and technical competency and technology integration capability in the different HID product segments. HID Advantage Partner Program offers two diverse program categories; Resell Partner with Platinum, Gold and Silver tiers and Technology Partner.

CubelQ as the only authorized reseller in Greece participates in both categories, as Reseller and Technology partner, demonstrating an outstanding competency on sales, technology and product integration offering its own solutions based on HID products.

Following an exceptional performance over the last years and involved in several products segments CubelQ has been ranked as Gold partner in (i) Secure Issuance - SI, (ii) Physical Access Control – PAC and (iii) Identity Assurance Management - IAM products segments.
