

News Release

CubelQ and Notolytix Join Forces

[EN] Athens, GR, **February 20th, 2021** - **CubelQ Limited**, an IT company provider of software solutions and systems for financial, banking and corporate institutions announces **joining forces with Notolytix™**.

Notolytix™ it is a next generation financial crime prevention solution provider. With their flagship product **NOTO real time fraud detection platform** help their customers to successfully deal with any Fraud, AML, or abuse problems. NOTO's proprietary solution offers unmatched flexibility and ROI. The solution adapts to client business and not the other ways around. NOTO platform enables fraud and compliance professionals to put their know-how to work with almost no limitations.

Seemingly different use cases such as fraud prevention, AML, account compromise and credit risk, have common roots, the underlying event data. NOTO platform process data in multifold ways and deliver ample and instant decisions. With a simple and straightforward integration, companies transform their approach to fraud and risk management in any sector or vertical. Data and sector agnostic, NOTO delivers results beyond expectations covering different use cases such as Payment & Account Fraud, AML & Regulatory Compliance, Merchant Credit Risk and Loyalty Abuse.

CubelQ partnered with **Notolytix™** to combine leading **Real Time Fraud Detection** technology with CubelQ's **Digital Banking Strong Customer Authentication** and **Regulatory Compliance** technology and know-how. **CubelQ** is an official reseller/partner for **Notolytix™**.
